

NICOLE McARDLE, ACAS, MAAA

Consulting Actuary | Chicago, Illinois

Nicole has experience in assignments involving loss reserving, loss cost projections and group captives. She has worked with pricing and loss reserve analyses for group captive insurers writing workers' compensation, auto liability, general liability and auto physical damage coverage. Nicole is also involved with loss reserve analyses for multi-state personal property insurers. She also assists in developing rate indications and preparing filings for submission.

Nicole serves as project manager for multiple group captives, performing both interim and year-end reserve analyses. She develops rate indications and loss cost multiplier projections for captive insurance companies.

In addition, Nicole works with insurance industry data to update and help develop benchmarks to be applied to reserve analyses. She also assists with preparation of Statements of Actuarial Opinion and Actuarial Opinion Summaries.

★ Qualified to sign statements of actuarial opinion per the American Academy of Actuaries (AAA)
